

# SOFTWARE DEVELOPMENT AGREEMENT

This Software Development Agreement ("Agreement") is entered into by and between:

Client: Jonas Gallano

Developer: Nicole Malitao

Both parties hereby agree to the following terms and conditions:

## 1. Project Description

The Developer shall design, implement, and integrate a Full English Bible (Old and New Testament) into the Kingdom Cards mobile application. The Bible content shall be available for full offline use without requiring individual book downloads and shall include a search functionality.

## 2. Points and Streak System

A points-based reward system shall be implemented wherein the user earns: One (1) point for every five (5) minutes of continuous Bible reading A maximum of twenty-four (24) points per day Points reset daily A reading streak system based on consecutive daily activity A daily limit of twenty-four (24) points shall also apply to Bible verse clicking to prevent abuse

## 3. Scope Limitations

This Agreement does not include social login, analytics, advanced role management, or background synchronization.

## 4. Payment Terms

The total project cost is ₱10,000, payable as follows: ₱3,000 – Initial Payment ₱7,000 – Final Payment upon project completion Development shall commence only upon receipt of the initial payment.

## 5. Timeline

The Developer shall complete the project within fifteen (15) calendar days from the date of receipt of the initial payment.

## 6. Termination

Either party may terminate this Agreement in the event of a material breach. Payments already made are non-refundable once development has commenced.

## 7. Acceptance

By signing below, both parties acknowledge that they have read, understood, and agreed to the terms and conditions of this Agreement.
